   b) one-day tickets – entitling the holder to enter the Event Area only on the day for which the Ticket is valid,
   c) one-day VIP tickets,
   d) two-day VIP tickets.
2. Tickets are sold exclusively online at www.eventim.pl, to the extent specified by the Organiser.
3. Tickets are personalised. A personalised Ticket entitles only the person whose name is stated on the Ticket to obtain a Wristband.
4. One person may purchase a maximum of eight Tickets. The Organiser reserves the right to cancel Tickets purchased in excess of this limit.
5. A person purchasing Tickets for other persons is obliged to provide their first names and surnames when making the purchase.
6. The Organiser allows the personal data on a personalised Ticket to be changed for a handling fee in the amount indicated at www.eventim.pl, increased by the cost of delivering the new Ticket. To submit a change request, please contact the distributor by e-mail at info@eventim.pl, providing the Ticket number and the first name, surname, e-mail address and telephone number of the original purchaser of the Ticket.
7. The data on a Ticket may be changed only once. Only the original purchaser of the Ticket may request a change. A purchased Ticket may not be exchanged or returned.
8. Where the data on Tickets are changed, the holder may exchange a print-at-home ticket and choose the delivery method again, i.e. a print-at-home ticket or a collector’s ticket sent by post or courier for an additional fee. The data may be changed until 23:59 on the day preceding the Event for which the Ticket was purchased, except for collector’s tickets – in that case the data must be changed no later than 14 business days before the Event if delivery by Poczta Polska (Polish Post) is chosen, and 6 business days before the Event if courier delivery is chosen.
9. Ticket data will not be changed at the Event venue on the day of the Event.

10. Data cannot be changed on Tickets purchased through unofficial distribution channels other than those indicated in section 2, in particular social media, auction portals and ticket resale services.
11. Tickets may be sold only at the price printed on the Ticket. Reselling Tickets at a price higher than that printed on the Ticket is prohibited. Reselling Tickets at auctions, in bidding, competitions, promotional campaigns or lotteries, reselling for profit outside authorised points of sale, etc. is prohibited.
12. The Organiser advises that, pursuant to Article 133 of the Act of 20 May 1971 – Code of Petty Offences: "Whoever acquires tickets of admission to artistic, entertainment or sports events for the purpose of reselling them at a profit, or whoever sells such tickets at a profit, shall be liable to detention, restriction of liberty or a fine. Attempt, incitement and aiding are punishable."
13. Destruction of a Ticket before it is exchanged for a Wristband renders it invalid and results in the loss of the right to enter the Event Area.
14. A Ticket must be original and purchased in accordance with the provisions of the Regulations. A Ticket purchased in breach of the provisions of the Regulations may be cancelled by the Organiser without any right to a refund of its price. The Organiser warns that buying Tickets from unauthorised persons carries the risk of purchasing a counterfeit ticket, which will result in refusal of entry to and participation in the Event.

III. ENTRY TO THE EVENT AREA

1. Before first entering the Event Area, the Participant must collect a Wristband at the point designated by the Organiser, located in front of the entrance to the Event Area. **Persons who do not hold a Wristband or a Technical Pass shall not be admitted to the Event Area,** subject to section 15.
2. A Wristband may be collected only in person, on the basis of a Ticket, which will be verified and exchanged for a Wristband at the point referred to in section 1. Before a Wristband is issued, the identity of the Ticket holder will be verified. The identity of the Ticket holder is verified on the basis of a valid identity document within the meaning of Article 3(19) of the Act, subject to section 16. Identity may also be confirmed using the mObywatel document (mDowód) displayed in the mObywatel application, in accordance with applicable law. If the data on the Ticket do not match the data in the identity document, or if another person's identity document is used, that person will not be issued a Wristband and shall not be entitled to enter the Event Area, to a refund of the Ticket price or to any other claims against the Organiser.
3. The design of the Wristband is determined by the Organiser. It will depend on the type of Ticket held by the Participant, as specified in Chapter II section 1 points (a)–(d).
4. The Wristband granted to holders of a two-day pass or a two-day VIP Ticket referred to in Chapter II section 1 points (a) and (d) entitles them to enter the Event Area on 12 and 13 November 2027. No separate Wristband is issued for each of those days.
5. The Wristband will be placed on the Participant's wrist in a way that prevents its removal without damaging it. A Wristband may be used by one person only. Transferring a Wristband to third parties and using third parties' Wristbands or Technical Passes is not permitted.
6. All persons present in the Event Area are obliged to hold, throughout the Event, a valid Wristband (placed on their wrist by the Organiser) or a Technical Pass issued to them by the Organiser.
7. A Participant may leave the Event Area multiple times, provided that re-entry to the Event Area will be possible only on the basis of a valid Wristband.

8. Damage to or removal of the Wristband renders it invalid, subject to section 9. Not having a Wristband, or having a Wristband that has been torn off or damaged, or one that is not fastened on the wrist, shall constitute grounds for removing the Participant from the Event Area without any right to compensation for the Participant or any other claims against the Organiser.
9. If the Wristband is torn off or damaged in the Event Area, the Participant is obliged to report immediately to the Security and Information Services with the damaged Wristband in order to have it replaced with a new one, which will take place upon presentation of the Ticket and the identity document referred to in section 2, subject to section 16. Only Wristbands damaged within the Event Area will be replaced. Leaving the Event Area with a damaged or torn-off Wristband without first having it replaced in accordance with the above procedure will result in refusal of re-entry to the Event Area, without any right to compensation for the Participant.
10. The Event takes place in a building, although certain Zones, e.g. the food and beverage zone, may also be located outdoors.
11. The number of entry points to the Event Area is limited. Owing to the number of Participants, queues may form at the entrance to the Event Area or at the point where Tickets are exchanged for Wristbands, which will involve waiting outdoors. The Organiser recommends taking the above into account and arriving at the Event early. The Organiser does not provide protection against weather conditions, including low temperatures and precipitation, while Participants wait to collect their Wristbands and to enter the Event Area or while they use the outdoor zones, e.g. the food and beverage zone.
12. Irrespective of whether the conditions set out in the preceding sections are met, the following persons shall not be admitted to the Event Area:
    a) persons against whom a court has issued a ruling prohibiting entry to mass events or obliging them to refrain from staying in places where mass events are held, issued against a convicted person in connection with a conditional suspension of a custodial sentence or against a juvenile under Article 7(2) of the Act of 9 June 2022 on Supporting and Rehabilitating Juveniles;
    b) persons against whom a foreign ban or a club ban within the meaning of the Act has been issued;
    c) persons who refuse to submit to the measures referred to in Chapter IV section 20 points (a)–(c) of the Regulations,
    d) persons visibly under the influence of alcohol, narcotic drugs, psychotropic substances or other substances with similar effects,
    e) persons in possession of weapons or other items, materials, products, beverages, agents or substances referred to in Chapter IV section 16 of the Regulations,
    f) persons behaving aggressively, provocatively, rudely or in any other manner posing a threat to safety or public order.
13. The Organiser of the Event may refuse entry to and presence at the Event to persons:
    a) who do not hold a Wristband or a Technical Pass, subject to section 15,
    b) wearing dangerous clothing (e.g. shoes with metal tips),
    c) in possession of whistles, horns or other noisy gadgets,
    d) whose appearance prevents identification,
    e) in possession of plastic or glass containers, cans, etc. (subject to Chapter IV section 16 point (h)),
    f) in possession of other dangerous items – whether an item is dangerous shall be assessed by the Security and Information Services,

g) who do not hold the identity document referred to in section 2, subject to section 16.

14. A person who has reached 18 years of age on the day of the Event may be admitted to the Event Area. Subject to Chapter I section 4 point (e), Minors may enter the Event Area if they carry the following documents:
    a) their own identity document referred to in section 2, subject to section 16,
    b) a photocopy of the identity document (referred to in section 2) of a parent or legal guardian (together with a photocopy of the document confirming legal guardianship status),
    c) the signed consent of a parent or legal guardian to the Minor's participation in the Event and a declaration of the parent or legal guardian (or – in the case of a Minor under 15 years of age – a person authorised by them) on the assumption of full responsibility (including financial liability) for that Minor – the declaration template constitutes Appendix 1 to the Regulations and will also be made available:
        - on the website www.insideseaside.pl
        - on the website www.eventim.pl
        - in front of the designated entrances to the Event Area,
        - at the Organiser's office: Live sp. z o.o., ul. Piastowska 67, 80-363 Gdańsk.
15. Minors aged 5 or over may take part in the Event on the terms set out in Chapter I section 4 point (e), after purchasing a Ticket; if a Minor takes part in the Event under the care of an adult, that adult must also hold a Ticket. Minors who have not reached 5 years of age on the day of the Event are admitted free of charge, without the need for a Ticket or a Wristband, and the requirements set out in sections 1–2 and 5–6 do not apply to them.
16. The requirement under the Regulations to hold and present one's own identity document does not apply to a Minor who has not reached 7 years of age on the day of the Event and does not hold such a document, provided that the Minor takes part in the Event under the care of a parent, legal guardian or another adult authorised by them. For the purpose of verifying the conditions of participation in the Event, the child's first name, surname and date of birth are confirmed by the accompanying guardian in the declaration constituting Appendix 1 to the Regulations. The guardian is obliged to present their own identity document. This provision does not limit the statutory powers of the Security and Information Services.
17. For the purpose of verifying declarations concerning the participation of Minors in the Event, the Organiser may request the parent, legal guardian or authorised adult accompanying the Minor to present an identity document. In the event of reasonable doubt as to legal guardianship status, the Organiser may request presentation of a document confirming the establishment of legal guardianship, to the extent necessary to confirm that status. That document is not copied or retained. This provision does not exclude the requirement referred to in section 14 point (b).

IV. ORGANISATIONAL AND ORDER RULES APPLICABLE IN THE EVENT AREA

1. The Event Area will be divided into Zones. The Zones will include, among others, music zones (i.e. the zones of the individual music stages), a food and beverage zone, a retail zone, a VIP zone, the Technical Backstage Zone and a chill-out zone.
2. The Participant is obliged to use the Zones available to them and their equipment in accordance with their intended purpose and with any instructions displayed in the given Zone.

3. The Organiser will designate Zones to which access will be restricted or available only to guests and Organiser's staff holding a Technical Pass – this applies in particular to the Technical Backstage Zone. The VIP zone will be available only to Participants holding VIP Tickets.
4. The Organiser advises that, **for safety reasons, only a specified number of persons may be present in individual Zones, in particular in the music zones**. Information on occupancy limits will be available in the Event Area. **If the occupancy limit in a given zone is exceeded, access to it will be temporarily suspended until the number of Participants in the zone falls below the limit – a rotational admission system will apply in this respect**. Accordingly, the Organiser does not guarantee participation in all items of the Event programme and therefore recommends arriving early for the performance chosen by the Participant.
5. The Organiser advises that the Event takes place in a building and that individual performances during the Event may take place in enclosed spaces (e.g. in halls or rooms with closed doors).
6. Platforms or marked spaces for persons with disabilities, in particular wheelchair users, will be available in the music zones. The number of spaces is limited. In view of the above, as well as the occupancy limits referred to in section 4 and the need to reach the above platforms through the area occupied by the audience during concerts, the Organiser recommends arriving early for the concert chosen by the Participant. Persons with disabilities may be present in the Event Area with a carer, after a Ticket has been purchased for the person concerned and separately for the carer.
7. The Organiser provides the following in the Event Area for an additional fee, in accordance with the price list available at www.insideseaside.pl and at the place where the service is provided:
   a) a cloakroom (the price list also specifies the fee for a lost cloakroom ticket and the number of items of clothing covered by one cloakroom ticket),
   b) a left-luggage facility (the price list also specifies the fee for a lost ticket) - items which are prohibited from being brought into or held in the Event Area, in particular those specified in section 16, may not be stored in the left-luggage facility.
8. The Organiser shall not be liable for valuables left in clothing or in the left-luggage facility. The Organiser may provide paid parking spaces to Participants. In that case, information on the location of the car park, the fees and the rules for using the car park will be made available at www.insideseaside.pl or www.eventim.pl. The Organiser shall not be liable for parking spaces near the Event Area provided by other entities.
9. Only cashless payments will be possible in the Event Area, made by payment cards, phones, watches and other contactless devices, as well as by a prepaid card that may be obtained in the Event Area by exchanging cash for the card.
10. Using in the Event Area a Wristband or Technical Pass belonging to another person is prohibited, as is entering Zones not intended for the public, in particular the Technical Backstage Zone. Breach of the prohibitions referred to in the preceding sentence will constitute grounds for the immediate removal of the person concerned from the Event Area without the right to return to the Event or to any compensation from the Organiser.
11. The Organiser ensures the safety of persons present at the Event and order during the Event by, among others:
    a) the Security and Information Services, distinguishable by elements of their clothing;
    b) appointing a safety manager who directs the Security and Information Services and organises the work of the security services;
    c) providing medical assistance and sanitary facilities;
    d) designating evacuation routes and access routes for emergency service and Police vehicles;

12. Participants and all other persons present in the Event Area are obliged to comply with the instructions of the Security and Information Services. Refusal to comply with such instructions may be justified only by their inconsistency with generally applicable law. Participants or other persons present in the Event Area who fail to comply with the above instructions, the Regulations or the rules applicable in the Event Area may be removed from the Event Area by the Security Services, without the right to return to the Event or to any compensation from the Organiser.
13. Participants and all other persons present in the Event Area are obliged to behave in a manner that does not endanger the safety of other persons present at the Event and, in particular, to comply with the provisions of the Regulations. 21. The Security Services are obliged to remove persons from the Event Area in the cases specified in Article 22(1)(2) and (3) of the Act. If the person fails to comply, they are removed by the Security Services, and the member of the Information Services immediately calls on them to intervene. The Security Services may dispense with the prior call if a delay in taking action would endanger life, human health or the property under protection. Only members of the Security Services are entitled under the Act, where necessary to enforce conduct required by law in accordance with an order issued by an authorised person or to repel a direct, unlawful attack on the life, health or liberty of the authorised person or another person, to use direct coercive measures in the form of physical force involving escort or defence techniques, handcuffs and chemical incapacitating agents in the form of hand-held incapacitant sprays. VI. PERSONAL DATA PROTECTION

1. The Organiser is the controller of the following personal data:

They will be stored for the period necessary to perform the contract and, after its expiry, until the limitation period for any mutual claims of the Parties has expired;
   b) first names, surnames and images of Ticket holders as shown in the identity document presented at the point where Tickets are exchanged for Wristbands. These data will be processed solely for the purpose of verifying the identity of the Ticket holder. The processing of these personal data

is necessary for the purposes of the legitimate interests pursued by the controller (Article 6(1)(f) GDPR) and is a contractual requirement for participation in the Event (Article 6(1)(b) GDPR), and failure to provide them will make entry to the Event impossible, subject to Chapter III section 16. The processing of these personal data is necessary for the purposes of the legitimate interests pursued by the controller (Article 6(1)(f) GDPR) and is a contractual requirement for participation in the Event (Article 6(1)(b) GDPR), and failure to provide them will make the Minor's entry to the Event impossible.
